MEMORANDUM FOR THE RECORD:

SUBJECT: The Small Agency Audit Improvement Act as reported (Senate Report 99-351 on S. 2005)

1. On 26 August 1986, I called OMB to give our views on the above described Committee report. Since the Agency was specifically exempt from the bill, which is further confirmed by the Committee report, we have no objection.

2. These comments were provided to Sidra Oliphant who would convey them to the action attorney, Brandon Blum.

3. This constitutes completed action on this matter.
